You wake up in a mysterious place, no time to look around. Everything seems like someone forgot it. You will have to find stuff, solve riddles and eventually get out of the place. The situation is under control, but only if you are not afraid. Learn more about Glasses Nightmare on www.rascalsgames.com or follow @rascalsgames on twitter. Little Endowments has really taken off recently! The game gets better and better, and we at Rascals Games have loved the results. Since its release, Little Endowments has gathered lots of awards (including the Best Indie RPG award at IGX 2015 and the GAMES.WORD award at EU Indie Day 2014), a lot of players have discovered it, and a lot of fans have gotten involved. Now, in our second month of Early Access, all this is bearing fruit. It means lots of great additions, bug fixes, and gameplay improvements. We're really looking forward to seeing you in the game, and if we've got any notion what you like, we'll definitely add more stuff. There's more to come! We're currently working on the next Episode of Little Endowments; keep an eye out for the Next Episode of Little Endowments tutorial video, coming soon! In Little Endowments you play as an orphan who has been dreaming of spending his years at the Endowment to establish a life for himself. After finding a note telling you that you have inherited this task, you receive your Endowment; and then the game starts! Try out our demo, it contains the first scenario, and you can play as high as Level 12! Little Endowments is a game for 1 to 5 players, ages 13 and up. In Little Endowments, players play as an orphan who has been dreaming of spending his years at the Endowment to establish a life for himself. After finding a note telling you that you have inherited this task, you receive your Endowment; and then the game starts! Little Endowments is an episodic game, so you can play a role. In Little Endowments players receive individual Endowments (Endowment points), which are used to progress through the game. You find Endowments in the game world, and as the game progresses, you'll unlock new Endowments. As you earn Endowments, you will be able

Brutal Fate Free PC/Windows [Updated]

Explore the Town: Explore the city and gain information by observing the townspeople, reading the posters and talking to the vendors. Enter buildings and use your gadgets to search for clues to solve the mystery. Infiltrate: Using the abilities of your chosen class, sneak around the town and wait for the right moment to strike. Marksman: The Marksman is the quintessential assassin. A deadly shot with minimal movement required. Stalker: The Stalker is usually a silent sneak who uses the environment to their advantage. Vigilante: The Vigilante has the ability to stun any NPCs he looks at with a single headshot. Enemies may be friendly or neutral. Class Abilities: Assassin: Use lethal tactics to get the upper hand against your foes. Stalker: Wreak havoc on NPCs with your silent sneak abilities. Marksman: A calm head and the ability to put your target in harms way is key. Vigilante: Use your headshot to solve the mystery in an instant. Control: Gamepad - Optional. Use the Gamepad to target players, move through menus and play cutscenes. Remote Play - Select Xbox Live or local play to host a multiplayer game. Special Features: Team Death Match - Three to six players can battle it out head to head in a team battle and fight for supremacy to emerge from the destruction as the first team to destroy the opposing player. 1 vs 1 Death Match - Special types of matches can be played one on one with no team involved, these types of games can be played on any map. Custom maps - Select any map and tweak it to your liking to set the rules for your match Manual or Automatic class selection - Set the class automatically for each player as you enter the game or choose the class manually as you enter the game. Quadruple Support - Four controllers work in conjunction to make the game even more fun and a real party experience. Game "Cool" Gameplay: Explore the city: Explore the city and gain information by observing the townspeople, reading the posters and talking to the vendors. Enter buildings and use your gadgets to search for clues to solve the mystery. Slippery Business: Meet the NPCs, now they're a lot more slippery than the last time we saw you. People in the city also love to take out their frustrations by throwing trash bags, buckets and other random items at you. In

Free Brutal Fate

-World: A realistic world in which you explore without programming -Character: Over 80 unique characters you can choose from -Gameplay: The gameplay has traditional levels of RE4 and RE7 "See the shadow?" were the last words he said to us in the corridor. After the last door left a short while ago, the secret of the great power of Life in the Universe was lost forever and the scientists, who were infected by the leak of gas, had disappeared. They left the problem to the employees from the elevator company, who had been forced to flee out of the place from the radiation. They had disappeared too but they left behind a new mysterious element: that of the 3 atoms of the previously unknown element No. 513. Whoever discovered its formula and can get it will have an unique opportunity to change history. *** Levels! there is a total of 26! *** Hard, you need to shoot everything that move, yes the propulso that you find hidden in the room, the locked door also the security cameras, no the infected victim also the scientists! There are a total of 26 levels and some maps, each with a different number of rooms and path, walls and floors can change by beating them (lockable and editable). And the sounds, a total of 13 weapons and items, for your daily use, for your enemies and for the environment too! You can find a Total 28 paper in the game, 13 each for you and your enemy. ***Endless Game!*** If it is too difficult, you can play some levels, and if it is too hard, you can play another level. To solve the levels you can use all the items you can find on the level so that the level can be smaller or larger according to your level. ***English and Spanish supported!*** Please rate the game, with yours and others' opinions! Explore the history behind the world's only man-made virus. While assisting an investigative journalist, you must uncover the mystery surrounding the world's first and only man-made biological weapon. As the owner of a chemical company, you need to perform several experiments to find a cure. However, a man-made virus remains unaffected by your attempts to stop it, and it begins spreading rapidly across the planet. Can you uncover the truth behind the origins of a biological weapon before it's too late? Virus is the remastered version of the
