In the year 2410, war with an alien race called the Eclipse has become an unstoppable force of nature. To defeat the enemy, the Republic of Star Fox must assemble a crack team of the best pilots in the galaxy. This team is the very first generation of Star Fox. At the helm of their trusty Arwing, players take off on missions across the vast expanses of the galaxy in search of clues that will help crack the mystery of the Alien World Order and free the galaxy of its oppression. As a member of Star Fox, you must explore the galaxy and face off against the enemy. ● Choose Your Hero Choose from the youthful Fox McCloud and his trusty blue ship, the Arwing, or the veteran Fox McCloud and his wingman Wolf O'Donnell and their red ship, the Gyrowing. Each with their own weapons, armaments, battle tactics, and signature dog tricks, each will have the tools they need to complete each and every mission. Choose your crew and choose your side. ● Customize Your Field Kit Level up each Star Fox character's strengths and weaknesses with the Field Kit system. The Field Kit system is one of the main features in Star Fox Zero. As your Fox becomes more skilled, he gains new abilities and weapons to assist you on your mission. The Field Kit system also allows you to save your equipment before a mission and equip it during battle to make the most of your extra skills and abilities. As you play the game, you can enhance your weapons and abilities by levelling up your character. ● Exclusive Missions With Star Fox Zero, we wanted to make sure you'll have a lot of fun with the story. We think you'll be able to see the story through multiple playthroughs, but we also wanted you to see how the story played out in areas where there wasn't a playable character present. That's why we included 13 exclusive missions in Star Fox Zero that are not in Star Fox. You can pick up these missions after clearing the story mode and free them in Free Play. ● Over 30 Missions in Extra Modes We can't promise that we'll get through all of Star Fox Zero, but even if you can't get through it all, we've got over 30 missions that you can play in our Extra Modes. Climb to the top of the digital world with Star Fox Zero's Extra Modes. So get ready to fire, c9d1549cdd
