1.GAMEPLAY ◇ The World Between the Worlds The Lands Between is a world that lies between worlds. It is an archipelago filled with islands inhabited by various races, most of whom have stories that are shared with each other. Each of these islands is a place that exists in its own world, and they are connected by lands, which can be combined to make the Elden Ring Cracked 2022 Latest Version. ◇ Play as an Elden Lord The main character (the hero) of the game is an ordinary adventurer who was to become an Elden Lord. The hero embarks on a quest to search for the lost and reveal the mystery of the land. ◇ The Different Races of the Lands Between ○ The Elden Ring The Elden Ring is a large island covered in forests. This is the top position in the Lands Between and is a place that is protected from thieves. A few roads run through the island. The people who live on the Elden Ring have gained their skills of using the Elden Ring as their base of existence. The Elden Ring is protected by a large number of airships as well as by the Yaldabaoth Army, which is a huge group of barbarians. ○ The Eastern Continent The

Eastern Continent is a large island in the east of the Lands Between. It is not a place that belongs to the Elden Ring, but the people who live here have their own story. There are a few roads that run through the continent, and there are ocean and sea monsters. ○ The Southern Continent The Southern Continent is a large island in the west of the Lands Between. Unlike the land of the Eastern Continent, this continent is not separated by an ocean. It is also the only continent that has a desert area. ○ The Northern Continent The Northern Continent is a large island in the north of the Lands Between. Unlike the land of the Southern Continent, this continent is separated by an ocean, and the people who live here have their own story. There are several large islands in the middle of the sea, and the continent is well connected to the Elden Ring by a large number of roads. ○ The Islands There are numerous islands scattered throughout the Lands Between. There are a number of different races living on these islands, and the people who live on each island have their own stories. ◇ Fine-Tuning Your Character You can freely customize your character◇
