Elden Ring is an action RPG game that is set in the Lands Between, an Eden-like world with half the population under the oppression of the evil empire. The evil empire has set up the illusionary Elden Ring, an existence of daily life supported by a crushing devotion to the authority of the ring. After you rise to a high enough rank in a certain region of the Lands Between, you are able to put on a pair of crowns, also known as the crowns of power. You can gather your own ring, the

power of which will create an important effect on the world that you will live in. In addition to the power of the ring, you can also obtain a variety of items and expand your character. The world is filled with a variety of items and impressive dungeons. Be careful of the strength of monsters and environmental elements, and overcome the challenges before you and increase your own power to progress. LET'S DIG DEEPER: #1. Characters and World The Lands Between, a beautiful and dangerous world, is immersed in a dark atmosphere and filled with many conspiracies. It is a reality in which, even within the regular realm, there is a need for superhuman power and this power is called the Elden Ring. Elden Ring is a unique existence that appears in a distorted world. The existence of Elden Ring is called a life of mundane desires and ideas can be crushed by the authority of Elden Ring. The authority of Elden Ring

is supported by a crushing devotion. Since many of the people living in the Lands Between were oppressed by the authority of the Elden Ring, they tried to free themselves as much as they could from the authority of the Elden Ring. As a result, the world was divided into regions and battled over the authority of Elden Ring. After the end of the world, in the world known as the planet Earth, a new Eden was born. It is a vast world that is filled with many events and deep places that will create a different atmosphere in each region. The Lands Between An Eden-like world surrounded by a blood-red night sky. An Eden that is full of evil and darkness. • A World with a Rift A vast world surrounded by a rift. A world filled with a cloudy atmosphere that hides various mysteries and a colorful Eden. • A Magic Paradise in the Heavens A world made into a symbol of the powers of Eden in the

This is it, over here:United we Stand I made a website for the game If you like you can join up at There may be a joint NF Asian and US Warhammer game here, both factions were most wanted lists of both Asian and North American wargamers. If you want to try and get involved in the game we start around the March 2009, start there are plenty of role playing parts, all factions can be played but playing Waaagh! would be highly recommended as the main story game. If you want to explore the fandom, here's a map out of the game and story world: If you like you can link your own map, nothing is pathed yet, I have a character designer who would be happy to design a map for you. So there you go, there is a space program, along with magic, minions, weapons and spaceships, you must not let something as simple as a mere blown up planet hold you back.
