Boku No Pico 1080p 165

Pico ends up hiring the woman to watch over Chico and Chico ends up falling in love with the woman. Chico and Pico are left with this situation for six years as Chico is dating the woman and Pico is keeping an eye on the boy. One day, Pico leaves Chico alone at the bar, and Chico realizes that he loves Pico and eventually tells him this. In the fight scene, the woman, Chico, Pico, and Tamotsu are not fighting for their lives, but their relationship with each other is what matters. Chico is willing to do anything, even kill Pico, in order to stay with the woman he loves. Chico says to Pico that this is what love is, and Pico does not like it. Because of Chico's love for Pico, Pico wants to do anything to prevent the woman from staying with Chico, even if that means killing her, so the future of the boy he cares for is left to be uncertain at that point.
