## Get Rcon V0 1 By D4dylous Rapidshare

Enable it in your game server configuration with "BattlEye=1;". Start the server again... Download the BattlEye RCon utility (BERCon.exe). Create .... 1 using source ... 1 (by default, it is created when the server boots). In the RCon settings, specify: Server ...1 as the server that will be used as the Rcon server. Allow Rcon and allow all users to be able to connect to it. Specify in authorization parameters: Server ...1 allows users to connect to it. You can choose any of the existing servers. Specify in the connection parameters: Server ...1 (by default it is created when the server boots).
