i have a huawei modum. with imei: 354638044919593 i downloaded the code generator and it gave me the unlock code: 42717057 which didnt work when the modem asked for pin verification. i have only one chance to enter the correct code now. i used the modem code writer which i downloaded and entered the unlock code, but it keeps asking for a command and showing error messages. kindly help out. i also want to know what will happen if i entered the wrong code the last time. thanks a lot hi, i have downloaded airtel sim for huawei e173b usb modem. it is working fine with my airtel sim and i can connect to 3g. i want to use this sim with my huawei modem but whenever i start the connect the sim it asks for pin code and i dont have my sim pin. i have entered the code and it is working fine. but when i am connected to 3g, and i am using other sim in my huawei modem, it is showing no signal. i want to use my huawei sim with any other provider sim. hi. i have a huawei e1550. with imei: 354638044919593 i downloaded the code

generator and it gave me the unlock code: 42717057 which didnt work when the modem asked for pin verification. i have only one chance to enter the correct code now. i used the modem code writer which i downloaded and entered the unlock code, but it keeps asking for a command and showing error messages. kindly help out. i have lots of unlocking software but i m not able to unlock 3g modem of huawei e1550 (idea service in india). by using few softwares, modem got unlocked temporarily but when i re-insert it again, it shows that it is locked. even it is not taking the option of entering the unlock code(showing 0 attempt). i m also not able to reset the counter from 0 to 10. kindly provide me the proper software (if any) or the proper way of unlocking it. 5ec8ef588b
