This is a free world wide screensaver for your PC and requires Windows 95, 98, 2000 or XP. This screensaver is a product of our sister company, TruckSaver. It is a one of a kind screensaver that simulates a hauling run from coast to coast in the USA. Set on a map of the United States in the 18 Wheels of Steel series, the player can drive one of 50 trucks, with each truck having its own personality. It also includes a detailed city overview map, which shows the location of businesses, highways, federal and state tolls and trucking companies. Bigger and far more detailed world with thirty cities spanning from coast to coast and from Mexico to Canada. All new physics engine. All new truck models with incredible attention to detail, elaborate paintjobs, and lots of fantastic looking chrome parts. Pedal to the Metal is a worthy successor in the 18 Wheels of Steel line. Pedal to the Metal Haulin' Seattle is the largest city in Washington. It is featured in the 18 Wheels of Steel series. The world is larger and more detailed in this sequel in the 18 Wheels of Steel series that boasts significantly increased size of the simulated world and improved graphics detail with high resolution photo-realistic textures, increased model detail and new shading and lighting system. Also new to the game are AI opponents competing with the player to have the best run company with largest fleet of trucks.
