The Old Nostalrius servers were shut down in May, 2018 and the development team moved to a new home, NCSOFT. Since the new servers have only released our content and started accepting registrations in August, 2018, NCSOFT is inviting all our great players to join their servers and enjoy the new content. In order to join the NCSOFT server, please refer to this thread. If you would like to know more details about the NCSOFT server, please refer to this thread, too. Feel free to read our forum threads for the other servers before joining us! When you want to withdraw, please follow this link We would like to thank all the players of the old Nostalrius servers and we hope you can enjoy our new servers. HELP/FAQ For any details on using the game or the server please refer to the following pages: For any other questions please contact the NCSOFT Customer Support via the following: English: Spanish: Do you know you have to be 18 years old to play the game? You DO NOT have to be 18 to play, because you can enter your character's age from 0 to 99 and its system will decide for you the corresponding level, your level in the game will be always lower than your entered age. There is a limit of 5 characters in the game. If you have more than 5 characters, we will create a new one for you in the game. In order to get the character's name, please go to your created character's information and press "My Character". How much time will it take me to get enough money to buy stuff? It depends on the character you created and the level you have. A character with no equip will require about 30-40 hours of game play to gather enough money to buy the basic stuffs. A character with full equip would require about 30 minutes per day. We will give you some free-time for gathering money. We will also increase your amount of free-time after you have enough money to

I can hardly bear to tell you the tale of the slow, painful death we are going through right now. Tired of exposing our email, calendar and contacts, we decided to remove account from gmail, too. Why? No matter how annoying it gets, our work connects us to other people. So did we want to stop communicating with the annoying people at work that make our day shitty? Should we give up on communicating with our friends? I simply could not do it. I could not delete my account with gmail without having to recover it. The least I could do was block those who are gmail abusers. I deleted everything the second my gmail crashed. Let the fun begin again. Well, to be more precise, let's take a trip down memory lane with our gmail history. Yearly Trip Down Memory Lane A bit like a trip down memory lane, here we go: As I clicked to submit, my gmail crashed. It hasn't fared well in the past few months. It would display a blank window and generally be down to a few seconds delay in connectivity. However, it was never outright down. Just non-responsive and totally shitty. It would also
