About The Game Fishing Sim World®: Pro Tour - Talon Fishery: You are an absolute beginner to the world of fishing and you are about to be brought face to face with the real challenge of your life. You are about to embark on the greatest adventure of your life! You are about to experience what it takes to become a world class fishing sim angler and it's all going to happen in this single venue. To get the most out of Talon Fishery you will need to invest hundreds and hundreds of hours into practice, experience and progression. That's why you should embark on the quest to become the best angler possible. If you can master Talon Fishery, you have no reason to look at any other sim fishing game. Developer: Fishy Fishy Publisher: Fishy Fishy Your Weapon: The Championship Bow & Gun (Bowling Alley) The Bow and Gun are the core of any angling simulation game. You will spend more time with your

---

equipment than any other game. The Bow and Gun are not only for killing fish but for increasing your ability to get maximum pot size and performance. With a Bow and Gun you need to be proficient at taking aimed shots and accurately pulling the trigger. When angling with a Bow and Gun you will need to quickly orient yourself and stay on target. You will be using the field of vision to great advantage while in the game. You will also need to take aim by moving your head around the fishing basket to get the best shot. Fishy Fishy hopes you will learn to use your Bow and Gun well, but also you will need to develop your own approach to angling that suits you. You will never feel like a fish is an easy catch. You will need to develop a

## What's new:

**Available Now on Xbox One Kotaku East is your slice of Asian internet culture, bringing you the latest talking points from Japan, Korea, China and beyond. Tune in every morning from 4am to 8am. The enhanced version of the well-regarded Wii Shop Channel title Lance A Lot: Enhanced Edition is now available for download on Xbox One. We'll need to wait until E3 next week, however, to learn more about it and hopefully be treated to a hands-on demo. Xbox One releases of the game begin at \$15.99 USD or the equivalent in your local currency. The enhanced edition will retail for \$9.99. If you would like to learn more about the game, or ask any questions about it, you can visit the official Game via the internet at Alternatively, you can get your questions answered right here. Dude, did anyone just get real? How can you compare Lancer to LittleBigPlanet and we all know its better. You compare it like the two are the same or similar. No, they are entirely different. 6 people like this review MalinS7 To compare it to LBP is idiotic. You could save lance lot any time you want, don't try to compare Lancer to LittleBigPlanet, Lancer and LittleBigPlanet are two different games. It's impossible to compare Lancer to LBP, you don't you're using the same studio and the same genre. Damn, I just wasted \$15 worth of time to try out an excellent game and get dissed. Redownloading it to try again? Nope, you're not worth it. DanielV Lancelot is vastly inferior to LittleBigPlanet in every way. Even the "save" thing is ridiculous, one of the most important features for a world builder. In LittleBigPlanet your save really means something, I had so much of a time I quit and then I couldn't even load it up again because they didn't have save on their servers. In Lancelot that never happened, they**

**have no equivency. I can go and do anything I want at any time and name it anything I want as long as I move it and change the attributes of it. Right now I have a two story town that was built via the world builder, put in trees, grass**

DEAD LIKE A RIDE is a dark, fast-paced, gory, side-scrolling survival horror. Haunt the high speed graveyard of the violent Wild West on a mysterious train journey that will take you from the badlands of Deadwood to its end in Sleepy Hollow. As you hunt through the decaying corpses, you discover each person's story by reading their diary entries and listening to their haunting, poorly recorded voicemails. Fight with a mixture of melee and ranged weapons, or equip and customize a variety of firearms with explosive and corrosive ammunition to help you survive. The nightmare is only beginning with the falcon!----- NEW FEATURES: - Showman Mode is a new feature available to players. It allows for the addition of new content and items. Players are able to buy Showman mode separately from the main game. - Showman Mode includes: - An additional chapter set on the same train car from the main game - New playable
